

**1. Basics:**

- (a) Name: \_\_\_\_\_
- (b) Name (what you want me to call you): \_\_\_\_\_
- (c) Major(s): \_\_\_\_\_

**2. Precalculus Background (skills of algebra, trigonometry and functions):**

- (a) Where did you take and **pass** Precalculus? \_\_\_\_\_
- (b) When (calendar year)? \_\_\_\_\_
- (c) How would you rate your skill level? (0=no skills, 10=can use precalculus to evade velociraptors) \_\_\_\_\_
- (d) Please complete the Precalculus Placement Test on the homework website. Please be honest, this score will not affect your grade and is only a tool to help you. What score did you get on the placement test? \_\_\_\_\_  
If you are concerned about your performance on this test please talk to me in person or email me at [nreiff@brockport.edu](mailto:nreiff@brockport.edu) as soon as possible.

**3. This Course:** Write a short statement of your commitment to this course and discuss all of the following:

- (a) Your (realistic) goal for a grade and how you plan to attain it.
- (b) Your plans regarding (on time) class attendance.
- (c) Your honesty in doing your own work and following all rules on exams and quizzes.
- (d) Have you read the entire syllabus?
- (e) If you have any questions, comments or concerns please email these to me ([nreiff@brockport.edu](mailto:nreiff@brockport.edu)) right now, before you turn this in.
- (f) Please sign the statement you just wrote out.

**4. You:** Tell me some interesting facts about yourself that will help me get to know you.

*Some examples: What is your favorite book/movie/video game/board game/show? What is your favorite music genre/band? What do you like about your major? What is your favorite programming language? Did you do anything interesting over the break? Another interesting fact about yourself, etc.*
