

## HOMEWORK GUIDELINES

Suppose you check the homework website and must complete the following homework:

### Homework 10

- 3.2: 1,3,4\*,7-10.
- 3.3: 2-10,19,20,21\*,22-25.
- 3.4: 1,2,4,9,18,22\*.

To receive all professional document points for this homework you must:

- (1) Create a cover page with:
  - (a) Your **name** clearly printed.
  - (b) The **homework number** clearly printed.
  - (c) All \* **problems** listed in order. In the event that the \* problems run onto the back or on multiple pages that is fine, just be sure they are in order.
- (2) All **sections in order and clearly labeled on top right corner.**
- (3) All items ordered and **stapled as a single document.**
- (4) **No frills** from a spiral notebook.

To visualize the construction of this hypothetical homework 10, see the image below. On the left things are being ordered, labeled and stapled as described above, and the front of the final document is seen on the right.
